2. Rs. 2,054 under 14—Education—1—Secondary Education—Boys Schools—Establishment—Cranganur

Rao Sahib I. N. Menon *(Director of Public Instruction):* Sir, I request that the House may be pleased to grant an additional allotment of Rs. 2,054 under 14-1-Secondary Education-Boys Schools—Establishment—Cranganur. The occasion for this arose because there was a deficit which was noticed only when things have fairly advanced in the year under cost of establishment. The salaries of teachers posted in Cranganur have to be debited to the Cranganur accounts and it was found that since some of them were higher grade teachers the actual amount provided for them was insufficient and this is the exact amount of the deficit. Government have also issued an order for future guidance that as far as possible the teachers carrying a lower salary alone should be posted to Cranganur consistent with the efficiency of the school. This is a contingency which in all probability will not arise in the future.

Dr. T. Verghese *(Chief Medical Officer):* Mr. President, Sir, I rise to move for a grant of Rs. 5,94,506 under "22—Medical". In doing so, I would like to point out some of the salient features of the budget. You will see that it is not a very ambitious one but it must be gratifying that enough care has been taken to allot sufficient amount for some of the important items of expenditure such as "Dietary" and "Bedding and Clothing."
